You are a freshman applicant if you anticipate graduating from high school in this academic year or if you have graduated from high school and have not been enrolled in college after the summer following your high school graduation. Running Start students or students who have completed college coursework while in high school are considered freshmen for admission purposes.

Next Steps

1. Successfully complete the following College Academic Distribution Requirements (CADRs):

- **English—four credits**,* including at least three credits of composition and literature
- **Mathematics—three credits** of college preparatory mathematics (one year of geometry and two years of algebra, including an introductory component of trigonometry). Additional mathematics is strongly recommended.
Please note: One full credit in a math-based quantitative course during the senior year must be earned. This can be met in a variety of ways.
- **Science—two credits** of laboratory science, including one credit of algebra-based science (typically chemistry or physics, though school districts may designate other courses)
- **World language—two credits** of a single world language, Native American language, or American Sign Language
- **Social Science—three credits**
- **Arts—one credit** in fine, visual, or performing arts or an additional credit in one of the courses listed above

*one credit = one year

More information on courses that meet admission requirements is available on the Washington Higher Education Coordinating Board website at go.wsu.edu/cadr.

2. Complete your application and send it to the address on the back cover.

Please send your completed application by mail and your personal statement either online at wsu.edu/statement or by mail. You'll find the Office of Admissions address for the campus to which you are applying on the back cover of the admission application form.

3. Send your transcripts and test scores.

Request that official, sealed high school transcripts be mailed directly to the Office of Admissions. Addresses for the Offices of Admission at WSU campuses are on the back cover. To receive college credit for Running Start, College in the High School, other college courses, and AP/IB examinations, you must also request those transcripts or scores be mailed directly to the Office of Admissions. If you are applying directly from high school, you must maintain a satisfactory record and complete graduation before enrolling at Washington State University. Have your SAT or ACT scores sent directly from the testing agency. All WSU campuses use the same code for the SAT (code 4705) and the ACT (code 4482).
