World Class. Face to Face.

You are a transfer student if you are not currently in high school and attended a college or university after your high school graduation (not including the summer immediately following your graduation). If all of your college work was completed while in high school, please use the Freshman Application.

Next Steps

1. Complete your application.

Applications are considered on the basis of the work completed and posted on your official transcript at the time of application. All supplemental information such as the personal statement will be considered if provided.

2. Send your transcripts.

Request that official, sealed transcripts from all colleges or universities you have attended be mailed directly to the Office of Admissions at the campus to which you are applying. You'll find addresses on the back cover of the admission application form. You must report all colleges or universities you have attended, regardless of whether you wish to receive credit for work completed at those institutions.

3. Meet departmental admission requirements.

Once you are admitted to the University, you may need to meet additional requirements to be admitted to selected majors. Consult the online catalog at catalog.wsu.edu for specific departmental and program requirements. Some departments' application deadlines are earlier than the University's priority deadlines listed on the cover. Please visit online at academics.wsu.edu for more information.

4. See how your credits transfer.

Become familiar with the University's Transfer Course Equivalency Web site located online at transfercredit.wsu.edu.

If you have completed a Direct Transfer Agreement (DTA) associate degree from a Washington community college, including a course pattern that approximates the General Education Requirements (GERs) for graduation from Washington State University, you will be considered to have fulfilled the lower-division General Education Requirements for graduation and will generally be given junior standing.

For more information on transferable degree programs, go online to transfer.wsu.edu and click Transferable Degrees.
